Agenda item 42
Question of Cyprus

Security Council
Sixty-ninth year

Letter dated 15 May 2014 from the Permanent Representative of Cyprus to the United Nations addressed to the Secretary-General

Upon instructions from my Government, I enclose herewith two separate annexes recording the infringements of international air traffic regulations and violations of the national airspace of the Republic of Cyprus by Turkey (annex I) and the illegal use of closed ports by Turkish warships during the month of April 2014 (annex II). It should also be noted that Turkish commercial aircraft systematically use the illegal Tympou airport. I have the honour to draw your attention to the systematic infringements by Turkey of the sovereignty and territorial integrity of the Republic of Cyprus through blatant violations of international law, in a way that seriously jeopardizes safety and security in the greater region.

I would be grateful if you would have the present letter and its annexes circulated as a document of the General Assembly, under agenda item 42, and of the Security Council.

(*Signed*) Nicholas **Emiliou**
